Danijela Vrkic (ACT), Co-Founder Krofne, NSW

I am Co-founder of Krofne, a Canberra based social enterprise that creates meaningful employment opportunities for young people with disabilities. I was honored to be a guest speaker at the Summit in 2109 and was introduced to a remarkable group of strong, passionate, and talented women including Senator Hollie Huges, Mariana Rudan, Sonja Palic and our very own Croatian Ambassador Hon. Betty Pavelic just to name a few.

From the personal connections I made, it led to SBS Small Business Secrets doing a feature on Krofne, presenting to the Autism Select Committee at Parliament House and delivering a keynote speech in the Great Hall of Parliament House. The summit is truly an incredible and memorable event where life long relationships have been forged with renewed determination and inspiration.

I'm fortunate to be part of the AUS-NZ Croatian Women in Leadership. It is the best way to stay connected with extraordinary women with the same cultural background as my own. The recent summit was a demonstration of the opportunities that Australia and New Zealand have provided women of Croatian background to excel in their chosen field. It was great to hear the Croatian work ethic and determination underpin much of the successes of all the speakers. The organisation is made up of group of women willing to help, mentor and support each other in achieving and celebrating success.

What a special weekend the 2022 Summit was - it was amazing to connect with so many wonderful, talented women at the top of their game, sharing & reflecting on experiences through the lens of our Croatian heritage. The collective skill diversity & wisdom of this group is energising & provides opportunities to authentically develop & help ourselves through the story-telling & celebration of our Croatian business women.

I attended the Summit in Canberra in February 2022 with my daughter Anastasia.

I did not know what to expect in the lead up. From the time of my arrival, I was delighted by the event. I was blown away by the quality of the speakers and attendees. There were so many interesting, diverse, and empowered women. They were wonderful examples to my daughter. I made good friends with some of these extraordinary people and have maintained contact. I felt welcomed from the beginning. The Summit reinforced in me just how beautiful Croatian heritage and culture are, and how blessed I and my children are to have this as part of our identity.

"Having been a part of the AUS-NZ Croatian Women in Leadership organisation since its inception in 2019, I cannot speak highly enough of the value connecting with the group has given me both personally and professionally. From being inspired by incredible speakers at the first Summit event in Canberra to building connections over dinner with other Croatian women in both Auckland and Sydney, the organisation provides access to an incredible network of women at all career stages with the shared bond of our collective heritage. I am so grateful for all the incredible women I have crossed paths with so far and look forward to my continued involvement with the organisation."

Dr Natasha Ziebell, Senior Lecturer, Vic

I feel it is such a privilege to have the opportunity to be mentored by Emeritus Professor Frances Separovic as part of the mentoring initiative established by the Croatian Women in Leadership network. I have benefited from the wealth of knowledge and experience Frances has shared with me during this time. On a personal level, I appreciate how generous Frances has been with her time, the good humour, and the open and honest conversations we've had. On a professional level, it has been so beneficial in terms of navigating a career path within academia, while building confidence and capability in leadership.

I would also like to acknowledge the support offered more broadly through the Mentor master class program. It has been inspiring to hear from women in diverse sectors and industries, sharing different perspectives about defining a career narrative and planning a future career trajectory.

DEBRA GAVRANICH, AUTHOR, WILL ALSO BE OUR GUEST SPEAKER

WE HAVE ABOUT 20 LADIES ATTENDING THIS SUNDAY, WHICH WE BELIEVE TO BE A GREAT ACHIEVEMENT FOR OUR FIRST EVENT

GUEST SPEAKER - AUTHOR DEBRA GAVRANICH

Debra Gavranich grew up on a sugarcane farm near Mossman in Far North Queensland, Australia. After travelling extensively she returned to Cairns where she lives with her husband and family and works as a physiotherapist. Both her parents were born on the Croatian island of Korcula, near Split. Her father's family migrated to Australia in the 1920s to work on the cane fields while her mother emigrated in 1952 as a proxy bride. This story is about her mother's life as a child in an occupied village during World War Two, her proxy marriage and her life as a migrant to Australia. Debra has always felt compelled to write her mother's story, and this is the result - her first book, *The Girl Who Left*.

GUEST SPEAKER - AUTHOR ANGELA SUNDE

Author and illustrator Angela Šunde (*Snap Magic*, *Pond Magic*, *The Coral Sea Monster*) is the Gold Coast coordinator for The Society of Children's Book Writers and Illustrators and an award-winning writer and language teacher. A fellow of the May Gibbs Children's Literature Trust, Angela has a broad range of experience in education and delivers engaging workshops for children and adults. Her current work-in-progress is a children's historical novel inspired by her Croatian grandmother's migration to New Zealand as an 11 year old. Angela is also on the team of the global project KRAVATA, which aims to highlight influential Croatians in the diaspora.

AUS-NZ Croatian Women in Leadership AGM 2022

BOARD MEMBER WA – FRAN ROBERTS EVENTS

WA 7 Nov 21 held its first event -NIKOLA Estate in the Swan Valley.

Inaugural WA Croatian Women in Leadership group held their first event in WA at the Nikola Estate (owned by the Yukich family) set in the Swan Valley wine district close to Perth.

Traditional cultural singing performance by the Lado folkloric ensemble of WA formed in 1982. Dressed in the folkloric costume of Međimurje complementing their performance singing folk songs of the region.

Hon. Ljiljanna Ravlich

The much loved and respected the Hon. Ljiljanna Ravlich - the first woman elected to parliament from a non-English speaking country in 1996. Ljiljanna spoke of her childhood experiences migrating to Australia, education, career path and her life. A little girl who was born in a village in Raščane was able to achieve what she has.

Ljiljanna joined the WA cabinet in 2004 and served until 2015, was the Senior Minister in the Gallop and Carpenter Governments and Deputy Leader of the Government in the Legislative Council. As Minister of Education and Training. Implemented major reforms to reduce skills shortages and strengthen the apprenticeship and traineeship system.

In 2003 Ljiljanna established the WA Croatian Chamber of Commerce to promote friendship good will and understanding between the business communities of WA and the Republic of Croatia. An initiative that was replicated across the states.

Marija Retel, Education Consultant, WA

Authentic, exciting and inclusive are some of the adjectives that I would use to describe the Australian-New Zealand Croatian Women in Leadership group. The brain child of Her Excellency, Ms Betty Pavelich, Ambassador of Croatia, and Ms Sonja Palic, Business Manager, these two women of action wasted no time in establishing this organisation which has grown from strength to strength. The aim is to offer all women of croatian origin the opportunity to learn from one another by sharing their gifts and talents. In an atmosphere of trust and support, women are encouraged to speak without reserve, to seek advice, to share experiences and to focus on being there for one another in whatever way is life-giving.

We in Western Australia are very blessed to have Francika Roberts nee Jelavic as our Representative on the Board. Fran has an astonishing amount of energy and pours this into offering us wonderful opportunities to connect. I am delighted to be an inaugural member and warmly encourage all eligible women, young and not so young, to become active members.
